Okay, that sounds hopeful.

I think we should be able to meet in CDD conf room. The City geologist will be in there but I don't think he will mind sharing the conference room. However, I cc'd him to confirm. Thanks!

Hi Amy. I don't know if Katie can make this meeting, but probably she can based on her calendar page. The big issue is that I cannot find an open conference room at that day/time. I suppose we could try Ladera Linda or Hesse Park for a meeting place if we want to stick to this time that Lili says they are available. Since I'm off Friday, I will not be able to follow up on this till Monday. I will let Lili know this afternoon that we are trying to pin this down.

Hi Lili. We are getting into some unavailability this week on our end. Can we shoot for some time next week to do this meeting? Tuesday through Thursday is best for us so far. What's your availability?

Hi Dave,
Sorry for the delay. I am still waiting to hear back from our Superintendent Mike, to confirm a time on Thursday. It will be before 1pm- as I have meetings from 1pm and on.
